Conscious Co-op

Elevate your business with our sponsorship package.

Growth. Business. Empowerment.

2022 Sponsorship Opportunities

About Conscious Co-op

Conscious Co-op is your key to improving your business outreach, building powerful business connections, and gaining more exposure. One of the most powerful things you can do as a business is to increase your value in the eyes of your customers. Sponsorship gives you the opportunity to get your brand in front of a captive audience, build authority as the go-to provider in your niche, and provide value to the community.

Our dinner events bring first-rate speakers together with best of class providers in the local market. Gain the ultimate edge for your business while getting access to exclusive networking benefits and promotional strategies.

What are the benefits of investing in Sponsorship?

Create the business success you've always wanted, grow your network, and build your bottom line.

RECOGNITION: Being a sponsor with Conscious Co-op gets your business recognized as a sponsor in front of an audience of like-minded local businesses and decision makers that want to grow and succeed.

LEAD GENERATION: You get the perfect introduction to potential clients during business networking for maximum exposure and the most effective way to get your foot in the door with potential clients. Expand your network and foster existing relationships in your community with your name in front of target clients.

VISIBILITY: As a sponsor you get increased visibility for your brand and positive publicity. Sponsorship is an under-utilized tool by small businesses to drive sales and increase reach.
